Judge Schofield,

The following is a perfect example of the how the Federal Government continually criminally censors me in violation of the Constitution. It is what this case is about. It is what gives me standing and cause to join this case. **CourtListener will not use my name.** Hence no Google search or cross reference.

Attachment 1 is the official PACER/Court docket for this case for December 2018.

Attachment 2 is pages 1 & 6 from the docket that CourtListener has on the internet.

CourtListener is a product of Free Law Project, a federal 501(c)(3) non-profit. **CourtListener is controlled by the Department of Justice.**

Read official docket entries 22 and 23 and look at the narrative. Look at the entry dated 12/20/2018. Compare those entries with what CourtListener has. The official court docket lists my name in each of the three docket entries. (Go to www.courtlistener.com and click on the recap (pacer backwards) and search: "Pen American Center, Inc. v. Trump". Scroll down until you see the case and then click on it to open. Scroll down on the docket. The information is automatically transferred for every case.

Attorneys, Law Schools, Students, the media, etc. use this (censored) website for information. You can get alerts every time there is a docket entry. When they see "Appear Pro Hac Vice", "Memo Endorsement" or "Leave to File Document" they don't care so they don't read.

***** CourtListener has to proactively change the narrative. *****

I can site example after example of this criminal censorship. It has happened in every Federal Case that I am connected to. Search Pacer for David Andrew Christenson.

Godspeed

Sincerely,

David Andrew Christenson
